During Transitions, You Can't Afford to Go Without Coverage

BETWEEN JOBS

If you're between jobs, consider Short Term Medical. It's a more affordable option than COBRA*, Short Term Medical offers next-day coverage.

WAITING FOR EMPLOYER BENEFITS

New employers often impose a waiting period before you're eligible for health benefits. With Short Term Medical, you stay insured and can choose the length of your plan.

TEMPORARY OR SEASONAL EMPLOYEES

When your employment schedule is unpredictable, it's hard to maintain health coverage. Short Term Medical offers flexible coverage options to suit your situation.

NEWLY INDEPENDENT

Young adults and recent graduates may no longer be eligible for health insurance through a student plan or their parents' plan. Short Term Medical insurance is an affordable way to fill the gap until you can secure permanent insurance.

* Short Term Medical insurance is often a lower-cost alternative to COBRA. However, if you purchase Short Term Medical rather than maintaining COBRA coverage, you may give up your rights to coverage for pre-existing conditions or guaranteed health insurance in the future. This brochure provides a brief description of the important features of this plan. State mandated benefits, if applicable, are incorporated in your policy.

Choose the protection of Short Term Major Medical for gaps in health insurance.

Unexpected illnesses and accidents happen every day, and the resulting medical bills can be disastrous.

Until you enroll in permanent coverage, safeguard your financial future with Short Term Medical (STM) temporary insurance. It provides the peace of mind and health care access you need at a price you can afford.

You can depend on Short Term Medical. Assurant Health has been in the insurance business since 1892 and we were the first provider of temporary insurance in 1973. We've remained a national leader in STM insurance ever since.

Access to the health care you need with Short Term Medical:

- Coverage as soon as the next day.
- You may keep your own doctors.
- Access doctors 24/7/365 — from your phone! TelaDoc® service available for STM insureds.

Additional Information

- If you become injured or ill while your plan is in force, your benefits may be extended at no additional cost for up to 12 months if you are hospitalized. If you have a non-disabling condition, you can receive up to \$1,000 in benefits at no additional cost for up to 60 days.

Follow These Four Easy Steps to Enroll:

1 Determine Whom to Cover

For your temporary health insurance needs, you may insure you, your spouse and/or your dependent children. For anyone with a pre-existing condition, our individual medical plans or COBRA may be a better coverage option.

2 Verify Eligibility

Each person must be between the age of 30 days and 64 years, 11 months. To be considered dependents, your children must be younger than 18, or 24 if full-time students.

Look at the health questions next to the **?** symbol on the enrollment form. You will not be eligible for Short Term Medical coverage if you answer “yes” to any health question.

Short Term Medical plans provide coverage for unexpected illnesses and injuries, meaning they do not cover pre-existing conditions. A pre-existing condition is a medical condition due to sickness or injury

- for which you received medical treatment or advice during the five-year period immediately prior to your Short Term Medical effective date, regardless of whether the condition was diagnosed or not; or
- that produced signs or symptoms within the five-year period immediately prior to your Short Term Medical effective date. The signs or symptoms either must have allowed one knowledgeable in medicine to diagnose the disorder or would have compelled a reasonable person to seek diagnosis or treatment.

3 Design Your Plan

If you have a pre-existing condition, treatment for that condition will be excluded from your Short Term Medical plan.

Your plan design is based on the following choices:

Deductible

A low deductible results in a higher premium, while a higher deductible will lower your premium, but also result in more out-of-pocket expense.

Coinsurance

Coinsurance is the percent of medical expenses Assurant Health and you pay after your deductible is satisfied. You are responsible for your deductible plus a portion of the next \$10,000* in covered expenses. After that, we pay 100% of covered charges to the lifetime maximum of \$2 million.

** For 12-month policies (181-360 days), you are responsible for your deductible plus a portion of the next \$25,000 in covered expenses.*

Length of Coverage

STM is flexible enough to cover you from one month (30 days) up to six months (180 days). Coverage is also available for up to 12 months (360 days)—ask your agent.

Payment Options

You have two payment options. If you want flexibility, select MONTHLY PAY to pay as you go. If you want to **save 20%, choose the SINGLE PAY option** and make a one-time, up-front payment. Both options require payment when you enroll, regardless of your effective date. Your welcome packet will provide the specifics on all payment details.

Here's an example of how much you would pay in premium, deductible, and coinsurance if you broke your leg and required \$15,000 in medical treatment.

IF YOU CHOSE	YOU WOULD PAY	ASSURANT HEALTH WOULD PAY
<ul style="list-style-type: none"> • \$1,000 deductible • 80/20 coinsurance <i>Nationwide average premium for a 33-year-old is \$91.93 per month.</i>	\$3,000 (\$1,000 deductible + \$2,000 coinsurance [20% of the next \$10,000])	\$12,000
<ul style="list-style-type: none"> • \$2,500 deductible • 80/20 coinsurance <i>Nationwide average premium for a 33-year-old is \$71.50 per month.</i>	\$4,500 (\$2,500 deductible + \$2,000 coinsurance [20% of the next \$10,000])	\$10,500
