

Your Individual Application Kit is enclosed

Here is a checklist to review before you return your application.

- Print clearly and complete the application in blue or black ink.
- If you make any changes while completing this form (for example, if you cross out something you wrote), be sure to **initial and date** those changes.
- If any **corrections** are needed or if the form is incomplete, the application may have to be returned to you, or we may try to call you, to obtain the necessary information. In that case, we will record your information on a form that will be attached to your application.
- You may request an effective date of the 1st or 15th of the month, unless you are requesting continuous coverage. Continuous coverage is defined as no lapse between the cancellation date of your current coverage and the effective date of the Anthem Blue Cross and Blue Shield (“Anthem”) coverage for which you are applying. Your application must be received by Anthem by the requested effective date in order to secure that date.
- The primary applicant and spouse, if applicable, must sign and date the application (bottom of page 11).**
- List the height and weight for each applicant.
- List the date of birth for each applicant.
- If you have had creditable health coverage in the past 63 days, please fill out Section I to apply for preexisting credit. Creditable Coverage is defined as prior coverage from a group plan, Medicare, Medicaid, health plan for active military personnel, including CHAMPUS, Indian Health Service, state risk pool, Federal Employees Health Benefits Program, state children’s health insurance program, public health plan, U.S. Government plans, foreign health plans, individual insurance policy or Peace Corps service. Prior coverage does not count as Creditable Coverage if there was a break of 63 days or more prior to applying for this coverage.
- Select the plan, deductible amount, Rx option and any applicable riders requested.
- Answer all health history questions in Section K. Failure to do so will delay the processing of your application.
- If you answered “yes” to any of the health history questions, give complete details on page 9.
- For Automatic Bank Draft, complete the Authorization located in Section H and include a **voided check**. We cannot accept deposit slips. (Your account will be drafted from the assigned effective date to the current billing date if your application is approved by Underwriting.)
- The initial premium is required with the application. Please provide your credit card authorization per the instructions in Section H. If you pay by check, include your Social Security number on the front of the check, and affix the check to the front of the application.
- If you are enrolled in **both** Part A or Part B of Medicare, you are not eligible to apply for our regular individual products.

If you need assistance filling out the application, please contact your agent.

Section L – Significant Terms, Conditions and Authorizations (TERMS)

Please read this section carefully before signing the application.

1. **I understand that it is mandatory that I notify Anthem, in writing, immediately if I (the applicant) or any other person for whom coverage is sought receives medical treatment, advice, care or a diagnosis for any illness, injury or condition after the date I sign this application but before my coverage approval date. I understand that in this situation, Anthem has the right to underwrite my application again, using the new information and that, as a result, my coverage/family members' coverage might be rescinded, or delayed, or reformed or benefits denied due to the illness, injury or condition being treated as a preexisting condition.**
2. I understand that sending my initial premium with this application, and the receipt of my payment by Anthem, does not mean that coverage has been approved. I understand that if my application is denied, my bank account or credit card will not be charged.
3. I may not assign any payment under my Anthem program. I am applying for the coverage selected on this application. I understand that any premium quote provided is preliminary and review of my application by medical underwriting may change the premium or result in a denial of coverage. I understand that, to the extent permitted by law, Anthem reserves the right to accept or decline this application, and that no right whatsoever is created by this application.
4. **I understand that benefits are not payable for any undisclosed preexisting conditions for the first 12 months after my effective date. Pregnancy is also a preexisting condition.**
5. I am responsible to timely notify Anthem of any change that would make me or any dependent ineligible for coverage.
6. I understand Anthem may convert my payment by check to an electronic Automated Clearinghouse (ACH) debit transaction and that my original check will be destroyed. The debit transaction will appear on my bank statement although my check will not be presented to my financial institution or returned to me. This ACH debit transaction will not enroll me in any Anthem automatic debit process and will only occur each time I send a check to Anthem. Any resubmissions due to insufficient funds may also occur electronically. I understand that all checking transactions will remain secure, and my payment by check constitutes acceptance of these terms.
7. By signing this application, I agree and consent to the recording and/or monitoring of any telephone conversation between Anthem and myself.
8. I understand I am applying for individual health coverage which is not part of any employer-sponsored plan. I represent that neither I nor any dependent is receiving any form of reimbursement or compensation for this coverage from any employer. I understand that I am responsible for 100% of the premium payment and I am also responsible to ensure that premiums are paid.
9. If I purchase optional dental coverage, I understand that I will have a six-month waiting period for coverage of Basic services and a 12-month waiting period for coverage of Major services. *(For a description of Basic and Major services, please refer to your Marketing materials.)*
10. By signing this application I represent that I understand that Anthem Life has the right to deny my application for Term Life Coverage, and if it does, I will be notified in writing. I understand that if Anthem Life declines this coverage, no benefits will be payable. I understand that I alone am responsible for reading and accurately completing this application, and I must communicate any changes to my status. I also understand that all other conditions of my medical application apply for the life application.
11. I acknowledge that I have read the Significant Terms, Conditions, and Authorizations, and I accept such provisions as a condition of coverage. I represent that the answers given to all questions on this application are true and accurate to the best of my knowledge and belief, and I understand they are being relied on by Anthem in accepting this application. Any material misrepresentation or significant omission found in this application may result in denial of benefits or rescission or cancellation of my coverage(s).

If tobacco use question in Section B or Section C is answered "NO", I understand that the signature(s) below will attest to non-tobacco usage for the past 12 months.

I give this authorization for and on behalf of any eligible dependents and myself if covered by Anthem. I am acting as their agent and representative.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT AND SICKNESS INSURANCE

According to your application, you intend to lapse or otherwise terminate your present policy and replace it with a policy to be issued by Anthem. For your own information and protection, certain facts should be pointed out which should be considered before you make this change.

1. Health conditions that you may presently have may not be covered under the new policy. This could result in a claim for benefits being denied that may have been payable under your present policy.
2. Even though some of your present health conditions may be covered under the new policy, these conditions may be subject to certain waiting periods under the new policy before coverage is effective.
3. Questions in the application for the new policy must be answered truthfully and completely; otherwise, the validity of the policy and the payment of any benefits thereunder may be voided.
4. The new policy will be issued at a higher age than that used for the issuance of your present policy; therefore the cost of the new policy, depending upon the benefits, may be higher than you are paying for your present policy.
5. The renewal provisions of the new policy should be reviewed so as to make sure of your rights to periodically renew the policy.
6. It may be to your advantage to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. You should be certain that you understand all the relevant factors involved in replacing your present coverage.
